above-captioned application. While no representation is made that any of these references may be "prior art" within the meaning of that term under 35 U.S.C. §§ 102 or 103, the enclosed list of references is disclosed so as to fully comply with the duty of disclosure set forth in 37 C.F.R. § 1.56.

Moreover, while no representation is made that a specific search of office files or patent office records has been conducted or that no better art exists, the undersigned attorney of record believes that the references listed, together with any other references which may have been previously cited by or submitted to the Office, are the closest to the claimed invention (taken in its entirety) of which the undersigned is presently aware, and no art which is closer to the claimed invention (taken in its entirety) has been knowingly withheld.

In accordance with 37 C.F.R. §§ 1.97 and 1.98, a copy of each listed reference (or relevant portion thereof) that was not previously submitted to, or cited by, the Patent Office is also enclosed.

Statement of References Previously Disclosed
Under 37 C.F.R. § 1.98(d)

The following listed references are not required to be provided under 37 C.F.R. § 1.98(d), and are therefore not enclosed, because they were previously cited by or submitted to the Office in application number 09/610,842 (now U.S. Patent No. 6,464,860),

which is relied upon for an earlier filing date under 35 U.S.C. §
